A Glance Into September

We want to officially welcome all of you back to youth group! It was an awesome summer but Hector and I are glad to be back because we really missed you guys!

We are looking forward to a very fun and productive month! We have our Baked Potato Fundraiser on September 9th after 2nd service. Invite your families! This fundraiser is to help raise funds for our new t-shirts and to help with costs on the Six Flags trip on September 28th. Even if you can't attend Six Flags, it is important that you attend this fundraiser in order to get some time in for our next event. Hector and I realize how hard it is to make the required amount of fundraisers each time due to jobs, extra curricular activities and life events, so we have decided to just keep track of who serves at each fundraisers, for future outings.

Tonight, Wednesday September 5th, we will be discussing all that's in this newsletter and more. Your input is crucial to us. We feel you all are the DNA of this youth group and your opinion matters! YOU MATTER!

Servitude

For the next 4 weeks we will be discussing what it means to serve. Here at Crossfire Student Ministries we believe Jesus set the ultimate example of servanthood through His humility, obedience and love for others. We will be exploring all the different people serving in the bible and discussing ideas within our group on ways we can serve in our church and community.

Hector and I are really looking forward to serving alongside you all as we feed 200 less fortunate people on Wednesday, September 12th. Remember, we are not meeting for regular youth group, we are meeting at Grace United Methodist Church 201 W 7th street, as early as possible. The dinner is from 5:30pm-7:pm but we will need to set up early and stay over until everything is cleaned up.

Looking Back at August

School started back up, you and your peers created your own set of Youth Group rules, you voted on a new T-shirt color, some of you started volunteering at the market and you blessed a widow within our church by repairing/painting her porch. Pat yourselves on the back for being a difference maker for God.
